

BROCHURE
VERTITECH QUALITY CERTIFICATION SDN BHD (VQC)
PRODUCT INSPECTION CERTIFICATION SERVICES
Malaysia Inspection Bodies Accreditation Scheme (MIBAS).

Dear Building Materials Distributors/Producers /Manufacturers/Traders/Suppliers and readers

This brochure may reach you directly from Vertitech Quality Certification Sdn Bhd (VQC) or from other sources. Wherever it came from, this brochure aims to inform and invite Building Materials Distributors/Producers /Manufacturers/Traders/Suppliers to obtain Product Inspection Certification from VQC.

“PENGUATKUASAAN JADUAL KEEMPAT AKTA 520 CIDB” – Pemakluman Penguatkuasaan Construction Industry Standard
– CIS 22:2023 dan CIS 23:2023, LPIPM:SPT/BSB/05/1/1 Klt.2 (7) dated 14 April 2023.

Produk	CIS	Tarikh Berkuatkuasa
Scaffolding	CIS 22:2023 Product Conformity For Used Scaffolding in Construction	1 Mei 2024
Falsework	CIS 23:2023 Product Conformity For Falsework in Construction	

A Product Inspection Certificate of Conformity (PICoC) for the gazetted building materials/product is required by Construction Industry Development Board Malaysia (CIDB) for application to CIDB to obtain Certificate of Standards Compliance /Perakuan Pematuhan Standard (PPS) or PPSi (Imported) as enforced under Schedule IV of CIDB Act 520 (Amendment 2011).

VQC is established to provide a friendly, professional, impartial, non-discriminatory and independent Product Inspection Certification Body in accordance to requirements of International Standards ISO/IEC 17020. VQC hopes to extend our service and support to the Malaysian construction industry.

VQC is a Inspection Body accepted by Department of Standards Malaysia (DSM) and CIDB under **Malaysia Inspection Bodies Accreditation Scheme (MIBAS)**.

VQC is financially stable and derive its revenue mainly from inspection (and Product) certification fees and has adequate and competent resources for its operation.

VQC publicly available information can be obtained from VQC web-site and any other further information related to the VQC Certification can be made available upon request.
